- (ii) Your instruction for allocation of Premium net of all the relevant allocation Charges is utilized to purchase Units of investment linked Funds for the Policy. In any investment linked Fund, all Units are of equal value. You will not hold the units directly and the assets of each Fund will belong to us.
- (iii) The assets that the Funds invest in will be selected by us at our sole discretion at all times.
- (iv) We may close, withdraw, modify, split or combine Funds or introduce new Funds and where required with prior approval from the Insurance Regulatory and Development Authority. 'Withdraw' means no further payments will be accepted into the Fund, any existing Units held in the Fund will continue to be allocated. 'Close' means We will encash all the Units, which exist for a Fund and terminate the Fund.
- (v) Where We close or withdraw a Fund, We will notify You, three months in advance that, We will switch any existing units in that Fund ('original fund') and / or apply any

future Premiums which would have been applied to that original Fund to another Fund that has, in our opinion, the closest investment objectives to the original Fund. During the three month notice period, You can switch to any other available Fund.

- (vi) We will not allocate Units in any investment-linked Fund unless assets equivalent to those Units are added at the same time to the Fund. We will also not withdraw assets from any such Fund (except to meet the deductions described below in this Clause) unless units equivalent to those assets are cancelled at the same time. Units will only be cancelled in any such Fund under the terms of Clause 11 (Charges), and assets equivalent to the cancelled units will be withdrawn from the same Fund at the same time.
- (vii) We will add the income from the assets of an investment linked Fund to that Fund.
- (viii) We can deduct from the assets of an investment linked Fund any amounts that We decide are appropriate to cover:
 - expenses, taxes and statutory duties in respect of or due to the buying and selling of assets;
 - part or all of any tax, statutory levy or other statutory/regulatory charge on us allocated to the Fund; and
 - the Fund Management Charges described in Clause 11 (Charges).

7. Valuation of Investment Linked Funds

The valuation of assets under each Investment Fund will be done in accordance with the regulations issued by the Insurance Regulatory and Development Authority ('IRDA') in that regard (and is subject to change in accordance with the changes in regulations) and the internal rules of the Company.

- (i) At such intervals as We may decide, but usually each day on which all the financial markets are open, We will value each investment linked Fund so that We can set the prices of units as specified in Clause 8 (Unit Prices).
- (ii) We will always make best endeavour to value the assets on each day when all the financial markets are open. In certain extreme circumstances this may not be possible, as the value of assets may be too uncertain. In such circumstances we may defer the valuation of assets until normality returns. We will not declare Unit Prices on such days. Examples of such circumstances are:
 - When one or more stock exchanges which provide a basis for valuation for a substantial portion of the assets of the Fund are closed other than for ordinary holidays.
 - When, as a result of political, economic, monetary or any circumstances out of our control, the disposal or valuation of the assets of the unit Fund are not reasonable or would not reasonably be practicable without being detrimental to the interests of the remaining Unit holders.
 - During periods of extreme volatility of markets during which surrenders and switches would, in our opinion, be detrimental to the interests of the existing Unit holders of the Fund.
 - In the case of natural calamities, strikes, war, civil unrest, riots and 'bandhs'.
 - In the event of any force majeure or disaster that affects our normal functioning.
 - If so directed by the IRDA or any applicable regulator.

8. Unit Prices

- (i) We will calculate the Unit Price of a Fund as per the IRDA Guidelines. The resulting price will be rounded to the nearest Re. 0.0001. The Unit Price will be published on our Company's website.

- (ii) If we receive your Premium and all necessary documentation to allow the Premium to be processed, and we are satisfied that the information received is correct, before the Cut-off time for the next Valuation then we will use the Unit prices set at the next Valuation to allocate your Premium.
- (iii) For the purpose of Clause 11 (Charges), the Unit prices used to cancel units will be those set on the Valuation on the effective date the Charges are deducted from the Policy, or if no such Valuation is made, on the most recent Valuation prior to the effective date.
